Through Principal

Dear Parents/Guardians,

P2 Field-Based Learning(FBL) to Science Centre Singapore

The school has organised a field-based learning(FBL) to the Science Centre Singapore for all Primary 2 students. The learning will be conducted during curriculum time. As part of an extension of the STELLAR unit - Life in a Shell, students will learn about animals that have shells. Students will get to experience touching sea shells and interact with garden snails and hermit crabs, learn about the interesting characteristics of these amazing animals at the same time.

Please find the schedule for the respective Primary 2 classes below.

| Date (Day) | Time | Classes |
|-------------------------|----------------------|-----------------|
| 7 March 2024 (Thursday) | 8.30 a.m. to 12 p.m. | 2RT and 2TW |
| 18 March 2024 (Monday) | | 2CA,2IN and 2RB |
| 19 March 2024 (Tuesday) | | 2RS |
