Through Principal

Dear Parents/Guardians,

English Enrichment Programme: Public Speaking for Primary 4

Meridian Primary School is committed to supporting our students in the learning of English Language and will be organising this English Enrichment Programme that aims to build on students' confidence to speak up and sharpen their communication skills. Through this programme, students will be taught how to convey and express their thoughts and opinions with accuracy, fluency, appropriateness and succinctness.

Your child/ward is strongly encouraged to attend this invaluable enrichment programme which complements and enhances the school's English programme in developing our students to become better speakers.
